Summary

Not everything has happy ending.

Notes

Feeling a little silly 🥰

He cant believe this.

How.

Why.

He saw your face.

Tired.

Weak.

Tears streaming down as you smiled at him. Slowly you reach your hand out. But the state youre in is stopping you from doing. You collapsed. Jing Yuan quickly ran to you.

"Jing Yuan..." you weakly hold his face as you gave him a smile, it frustrates him. Why are you smiling? In your state he doesnt think youre about to survive.

"Im sorry... Im so so sorry... I cant be with you just like I promised. Forgive me Jing Yuan... I... I love you so much tell Yanqing that he is doing great... that Im so proud of him.. Please.."

You hand him your weapon. And whispered to him to do it. The sadness and pain in your eyes was evident. He doesnt want to do this, ofcourse he doesnt youre his wife. He is your husband.

"End my suffering..."

Jing Yuan began to tremble, in anger, in sadness, he cant do it. He loves you too much to do it. But youre suffering too much, he cant see you in that state. He cant see you live in such a cruel life.

With a last kiss. He impaled you with your own weapon. As you wished. Slowly, your body drifted as an ash. A golden ash. That looks like stars dancing through the wind.

He let out a sigh, he kneeled, as he hold onto you weapon tightly. Emotions bashing together on his head. As well as his heart.

The pain. The reality striked him. He will be all alone with empty promises. Through out his life, he will be by himself. He prayed. He prayed to the aeons. That in another life you both can be together without all of this mess.

He wishes that in another universe. He can have a family with you. Without the duty of being a general. He can only wish.

"General...?"

Yanqing...

"Wh.. What happen? Where is Y/n? Didnt she return? I have the doctors here!!!"

He stood up. Slowly, he walked towards the blonde.

"What? No no no!! She is strong right!? She cant be gone just like that!! She cant just dissapear!! General please tell me youre joking, please!!"

The young boy begged. He begged that the general's words wasnt true. He cant lose a mother. Not when he was about to tell you how great he was when he trained.

He was excited to tell you everything. He was excited when you told him that when you come back in your solo mission. You will be training him and he will be a part of your troop. But why did you dissapeared.

You made a promise.

Yanqing began to cry. He doesnt want to. But he cant help it. He losed you. He lost the mother he has. It felt like the world shattered.

They day you came back to them. Is the day you dissapeared.

They could only wish that this is a nightmare. But its a nightmare they cant woke up to.

-end-
